The following system may be followed for publication of the NIT and Tender Documents in the Website.

- i) In addition to the existing rules and practices regarding giving publicity of tenders through newspapers, the complete bid documents alongwith Notice Inviting Tender shall be published on the Website of the company. It shall be ensured by the concerned department that the parties making use of this facility of website are not asked to again obtain some other related documents from the department manually for purpose of participating in the tender process i.e. all documents upto-date should remain available and shall be equally legally valid for participation in the tender process as manual documents obtained from the department through manual process.
- ii) The complete bid documents should be available on the website for the purpose of downloading and tender submitted on such downloaded bid documents shall be considered valid for participating in the tender process.
- iii) The company must give its website address in the advertisement / NIT published in the newspapers.
- iv) The company shall not be responsible for any delay / difficulties / inaccessibility of the downloading facility for any reason whatsoever. The downloading facility shall be available during the period of sale of tender paper.
- v) The bidders, who will download the tender documents from the website of the company, will be required to pay the cost of tender documents (Application Fee) by Bank Draft as per NIT at the time of submission of tenders.
- vi) The bidders will be required to submit an undertaking that they will accept the tender documents as available in the website and their tender shall be rejected if any tampering in the tender document is found to be done at the time of opening of tender.
- vii) The Bank Draft towards the cost of tender documents (Application Fee) and the undertaking of the tenderer as at sl.no.vi) shall be submitted in a separate envelope marked "Cost of Tender Documents and the Undertaking" and not with Part-I/ EMD.
- viii) In case of any discrepancy between the tender documents downloaded from the web site and the master copy available in the office, the latter shall prevail and will be binding on the tenderers. No claim on this account will be entertained.

INSTRUCTIONS TO BIDDERS**1. SCOPE OF TENDERER**

1.1 The _____ (referred to as Employer in these documents) invites bids for the works as mentioned in the Notice Inviting Tenders (NIT) . The tenderers should submit tenders for any or all of the works mentioned in the NIT.

1.2 The successful Bidder will be expected to complete the Works by the Intended Completion Date specified in the tender document.

2. ELIGIBLE TENDERERS

2.1 The Invitation for Bids is open to all Bidders eligible to participate as per qualifying criteria laid down separately hereinafter.

2.2 All bidders shall provide in their bid Forms of Bid and Qualification Information.

2.3 Joint Venture: Two or three companies/ contractors may jointly undertake contract/contracts. Each entity will be jointly responsible for completing the task as per the contract.

2.4 The Company reserves its right to allow Public Enterprises purchase preference facility as admissible under prevailing policy.

3. QUALIFICATION OF THE TENDERER

3.1 In the event that prequalification of potential bidders has been undertaken, only Bids from pre-qualified bidders will be considered for award of Contract. These qualified bidders should submit with their Bids any information updating their original prequalification applications or, alternatively, confirm in their Bids that the originally submitted prequalification information remains essentially correct as of the date of Bid submission. The update or confirmation should be provided in the bid.

3.2 If the employer has not undertaken pre-qualification of potential bidders, all bidders shall include the following information and documents with their bids (copies of all documentary evidences are to be duly authenticated by the tenderers/ constituted attorney of the tenderer with full signature and seal. All signed declarations are to be made in the tenderer's letter head.) :

- a. copies of original documents defining the constitution or legal status, place of registration, and principal place of business; written power of attorney of signatory of the Bid to commit the Bidder.
- b. experience of having successfully executed similar works during last seven years.
- c. experience in works of similar nature and size for each of the last seven years, and details of work under way or contractually committed; and the name and address of clients who may be contacted for further information on those contracts;
- d. major items of loading/unloading/transportation equipment proposed to carry out the Contract;
- e. in support of evidence of adequacy of working capital (at least 20% of the annualized value of the work) for this contract, the bidder should submit a certificate of solvency/access to lines of credit and availability of other financial resources. Such certificate shall be dated within three months before the date of tender opening.
- f. authority to seek references from the Bidder's bankers;
- g. proposals for subcontracting components of the Works amounting to more than 10 percent of the Contract Price ;
- h. Permanent Income Tax Account No.(PAN) ;
- i. Two or three companies/contractors participating in the bid as Joint Venture should submit Firm-wise participation details, Banker's name, execution of work with details of contribution of each and all other relevant details.

[Note: The intending tenderer will have to submit a declaration in support of the authenticity of the credential submitted by them alongwith the tender in the form of an affidavit as per the format provided in the bid document.]

CMF 3.07**INSTRUCTIONS TO TENDERERS****3.3 To qualify for award of the contract -**

a) The intending tenderer must have in its name as a prime contractor experience of having successfully executed works of similar nature (such as Transportation/ Removal of Coal/ Overburden/ Shale// Extraneous materials/ Sand/ etc) *valuing 65%* of the annualised value of the work put to tender in any year during last 7(seven) years ending last day of month previous to the one in which bid applications are invited.

In case the bidder is not a prime contractor but a sub-contractor, the bidder experience as sub-contractor will be taken into account if the contract in support of qualification is a sub-contract in compliance with the provision of such sub- contract in the original contract awarded to prime contractor.

b) evidence of possessing adequate working capital (at least 20% of the annualized value of this work) inclusive of access to lines of credit and availability of other financial resources to meet the requirement.

c) ownership of a fleet of minimum 1/5th of the tipping trucks/trucks and equipment required for the annualized work. If the 1/5th requirement is a fraction, next whole number should be taken.

Note: Financial turn over and cost of completed works of previous works shall be given a weightage of 5% per year (average annual rate of inflation) to bring them at current price level.)

3.4 Sub contractors experience and resources will not be taken into account in determining the Bidders' compliance with qualifying criteria.

3.5 Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements.

Notes : i) The qualification criteria shown above are to be considered as a standard for normal works.

4. ONE BID PER BIDDER

4.1 Each Bidder shall submit only one Bid, either individually, or as a partner in a partnership firm or a partner in a joint venture or a public limited firm. A Bidder who submits or participates in more than one Bid (other than as a subcontractor or in cases of alternatives that have been permitted or requested) will cause all the proposals with the Bidder's participation to be disqualified.

5. COST OF BIDDING

5.1 The Bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will in no case be responsible or liable for those costs.

6. SITE VISIT

6.1 The Bidder, at the Bidder's own responsibility, cost and risk, is encouraged to visit and examine the Site of Works and its surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for construction of the Works. The costs of visiting the Site shall be at the Bidder's own expense.

6.2 It shall be deemed that the tenderer has visited the site/area and got fully acquainted with the working conditions and other prevalent conditions and fluctuations thereto whether he actually visits the site/area or not and has taken all the factors into account while quoting his rates.

7. CONTENT OF BIDDING DOCUMENTS

7.1 The set of bidding documents comprises the documents listed in the table below and addenda issued in accordance with Clause 9:

Notice Inviting Tender

CMF 3.07**INSTRUCTIONS TO TENDERERS**

Section 1	Instructions to Bidders;

17.4 If the outer envelope is not sealed and marked as above, the Employer will assume no responsibility for

CMF 3.07**INSTRUCTIONS TO TENDERERS**

the misplacement or premature opening of the Bid.

18. DEADLINE FOR SUBMISSION OF BIDS

18.1 Bids shall be delivered to the Employer at the address specified above no later than _____ In the event of the specified date for the submission of bids being declared a holiday for the Employer, the Bids will be received up to the appointed time on the next working day.

18.2 The Employer may extend the deadline for submission of Bids by issuing an amendment in accordance with Clause 9, in which case all rights and obligations of the Employer and the Bidders previously subject to the original deadline will then be subject to the new deadline.

19. LATE BIDS

19.1 Any Bid received by the Employer after the deadline prescribed in Clause 18 due to any reason whatsoever will not be accepted.

20. MODIFICATION AND WITHDRAWAL OF BIDS

20.1 Bidders may modify or withdraw their Bids by giving notice in writing before the deadline prescribed in Clause 18 in case the bidder has submitted the bid well before the deadline.

20.2 Each Bidder's modification or withdrawal notice shall be prepared, sealed, marked and delivered in accordance with the provisions of Clause 11, 16, 17 and 18, with the outer and inner envelopes additionally marked "MODIFICATION" or "WITHDRAWAL", as appropriate.

20.3 No Bid may be modified after the deadline for submission of Bids.

20.4 Withdrawal of a Bid between the deadline for submission of Bids and the expiration of the period of Bid validity specified in the Bidding Data or as extended pursuant to Sub-Clause 14.2 may result in the forfeiture of the Bid Security pursuant to Clause 15.

21. BID OPENING

21.1 The Employer will open the Part-I of the bids, including modifications made pursuant to Clause 20, in the presence of the bidders' or their representatives who choose to attend at the time and in the place specified in Clause 18. In the event of the specified date of Bid opening being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.

21.2 The Part-II of the bids of the bidders, which are substantially responsive and conforms to the terms and condition, will be opened after evaluation of Part I offer and notified to the Bidders who fulfill the requisite qualifying criteria laid down in the bidding document. In the event of the specified date of Bid opening being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.

21.3 Envelopes marked "WITHDRAWAL" shall be opened and read out first. Bids for which an acceptable notice of withdrawal has been submitted pursuant to Clause 20 shall not be opened.

21.4 The Bidders' names, the Bid Prices, the total amount of each Bid and any discounts, Bid modifications and withdrawals, the presence or absence of Bid Security, and such other details as the Employer may consider appropriate, will be announced by the Employer at the opening.

22. PROCESS TO BE CONFIDENTIAL

22.1 Information relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any effort by a Bidder to influence the Employer's processing of Bids or award decisions may result in the rejection of his Bid.

23. CLARIFICATION OF BIDS

23.1 To assist in the examination, evaluation, and comparison of Bids, the Employer may, at the Employer's discretion, ask any Bidder for clarification of the Bidder's Bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing.

24. EXAMINATION OF BIDS AND DETERMINATION OF RESPONSIVENESS

24.1 Prior to the detailed evaluation of Bids, the Employer will determine whether each Bid:

- a. meets the eligibility criteria defined in Clause 3;
- b. has been properly signed;
- c. is accompanied by the required securities; and
- d. is substantially responsive to the requirements of the Bidding documents.

24.2 A substantially responsive Bid is one which conforms to all the terms, conditions, and specifications of the Bidding documents without material deviation or reservation. A material deviation or reservation is one :

- a. which affects in any substantial way the scope, quality, or performance of the works;
- b. which limits in any substantial way, inconsistent with the Bidding documents, the Employer's rights or the Bidder's obligations under the Contract; or
- c. whose rectification would affect unfairly the competitive position of other Bidders presenting substantially responsive Bids.

24.3 If a Bid is not substantially responsive, it may be rejected by the Employer at its sole discretion.

25. CORRECTION OF ERRORS

25.1 Bids determined to be substantially responsive will be checked by the Employer for any arithmetical errors. Errors will be corrected by the Employer as follows :

- a. where there is a discrepancy between the amounts in figures and in words, the amounts in words will govern; and
- b. where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.
- c. discrepancy in totaling or carry forward in the amount quoted by the contractor shall be corrected .

The tendered sum so corrected and altered shall be substituted for the sum originally tendered and considered for acceptance instead of the original sum quoted by the tenderer along with other tender/tenders. Rounding off to the nearest rupee should be done in the final summary of the amount instead of in totals of various sections of the offer.

25.2 The amount stated in the Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the Bidder.

26. EVALUATION AND COMPARISON OF BIDS

26.1 The Employer will evaluate and compare only the Bids determined to be substantially responsive in accordance with Clause 24.

26.2 In evaluating the Bids, the Employer will determine for each Bid the evaluated Bid Price by adjusting the Bid Price as follows :

- a. making any correction for errors pursuant to Clause 25.
- b. making appropriate adjustments to reflect discounts or other price modifications offered in accordance with Clause 20.

CMF 3.07**INSTRUCTIONS TO TENDERERS**

26.3 The Employer reserves the right to accept or reject any variation or deviation. Variations, deviations and other factors that are in excess of the requirements of the Bidding documents or otherwise result in unsolicited benefits for the employer shall not be taken into account in Bid evaluation.

26.4 If the Bid of the successful Bidder is seriously unbalanced in relation to the Engineer's estimate of the cost of work to be performed under the contract, the Employer may require the Bidder to produce detailed price analyses for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the methods and schedule proposed.

27. AWARD CRITERIA

27.1 Subject to Clause 28, the Employer will award the Contract to the Bidder whose Bid has been determined to be substantially responsive to the Bidding documents and who has offered the lowest evaluated Bid Price, provided that such Bidder has been determined to be:

- a. eligible in accordance with the provisions of Clause 2; and
- b. qualified in accordance with the provisions of Clause 3.

28. EMPLOYER'S RIGHT TO ACCEPT ANY BID, NEGOTIATE AND TO REJECT ANY OR ALL BIDS

28.1 Notwithstanding Clause 27, the Employer reserves the right to accept, negotiate or reject any Bid, and to cancel the bidding process and reject all Bids, at any time prior to the award of Contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Employer's action.

29. NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT

29.1 The Bidder, whose Bid has been accepted, will be notified of the award by the Employer prior to expiration of the Bid validity period by cable, telex, or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance") will state the sum that the Employer will pay the Contractor in consideration of the execution and completion of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called "the Contract Price").

29.2 The notification of award will constitute the formation of the Contract, subject only to the furnishing of a Performance Security/Security Deposit in accordance with Clause 30.

29.3 The Agreement will incorporate all agreements between the Employer and the successful Bidder within 28 days following the notification of award along with the letter of Acceptance.

30. PERFORMANCE SECURITY/SECURITY DEPOSIT

30.1 Security Deposit shall consist of two parts;

- a) Performance Security to be submitted at award of work and
- b) Retention Money to be recovered from running bills.

The security deposit shall bear no interest.

30.2 Performance Security should be 5% of annualized value of contract amount and should be submitted within 28 days of receipt of LOA by the successful bidders in any of the form given below

- a Bank Guarantee in the form given in the bid document
- Govt. Securities, FDR or any other form of deposit stipulated by the owner
- Demand Draft drawn in favour of Coalfields Ltd on any Scheduled Bank payable at its Branch at.....

CMF 3.07**INSTRUCTIONS TO TENDERERS**

The bid security deposited in the form of Bank Guarantee shall be duly discharged and returned to the contractor. The bid security deposited in the form of Demand draft shall be adjusted against the security deposit.

If performance security is provided by the successful bidders in the form of bank guarantee it shall be issued either -

- (a) at Bidder's option by a nationalized/Scheduled Indian Bank or
- (b) by a foreign bank located in India and acceptable to the employer.
- (c) the validity of the Bank Guarantee shall be for a period of one year or ninety days beyond the period of contract, whichever is more.

Failure of the successful bidder to comply with the requirement as above shall constitute sufficient ground for cancellation of the award of work and forfeiture of the bid security.

30.3 Retention Money should be deducted at 5% from running bills. Total of performance security and Retention Money should not exceed 10% of annualized value of contract amount or lesser sum indicated in the bid document.

30.4 5% Performance Security should be refunded within 60 days of the completion of the work. (The date of completion of the work will be certified by the Engineer-in-charge)

31. EMPLOYMENT OF LOCAL LABOUR

31.1 "Contractors are to employ, to the extent possible, only local project affected people and pay wages not less than the minimum wages fixed by the Law of the Land".

32. LEGAL JURISDICTION

32.1 Matter relating to any dispute or difference arising out of this tender and subsequent contract awarded based on the bid shall be subject to the jurisdiction ofcourt only.

5. DEVIATIONS/VARIATIONS IN QUANTITIES :

Extent and Pricing: The quantities given in the 'Schedule of Quantities' are provisional and are meant to indicate the extent of the work and to provide a uniform basis for tendering and any variation either by addition or omission shall not vitiate the contract.

5.1 The company through its Engineer-in-charge or his representative shall, without radically changing the original scope and nature of the contracted work, have power to make any alterations in or additions to or substitution of the original and instructions that may appear to be necessary or advisable during the progress of the work. The contractor shall be bound to carry out the works in accordance with the instructions given to him in writing by Engineer-in-charge or his representative on behalf of the company.

CMF 3.09

CONDITIONS OF CONTRACT

Such altered or additional work, which shall form part of the original contract, shall be carried out by the contractor on the same conditions in all respects on which they agree to do the main works and at the same rate/rates as are specified in the contract.

5.2 If the additional or altered work includes any class of work for which no rate/rates is/are specified in the contract, rates for such items shall be determined by the Engineer-in-charge as follows:

- a. the rate shall be derived from the rate/rates for similar or near similar class of work as is/are specified in the contract/tender, failing which
- b. the rates shall be derived from the company's prescribed schedule of rates based on which the estimate for tendering has been prepared plus or minus the percentage by which the tendered amount for the whole work quoted by the contractor is above or below the estimated amount as per the tender documents, failing which
- c. the rate shall be derived from contractor's rate claimed for such class of work supported by analysis of the rate/rates claimed by the contractor. The rate to be determined by the Engineer-in-charge as may be considered reasonable taking into account percentage of profit and overhead not exceeding ten percent or on the basis of market rates, if any, prevailing at the time when work was done.

In the case of composite tenders, where two or more schedule of quantities for similar item description may form part of the contract, the applicable rate shall be taken from the schedule of quantities of that particular part in which the deviation is involved, failing that at the lowest applicable rate for the similar item of work in the other schedule of quantities.

However, the Engineer-in-charge shall be at liberty to cancel the instruction by notice in writing and to arrange to carry out the work in such manner as he /she considers advisable under the circumstances. The contractor shall under no circumstances suspend the work on the plea of non-settlement of rates.

5.3 Alterations in the quantities shall not be considered as a change in the conditions of the contract nor invalidate any of the provision thereof provided that a supplementary work order or agreement for the item/items involved will be necessary when the alterations involved one or more of the followings:

- i) An increase of more than 10% of the total cost of the work calculated from the original tendered quantities and the contract price.
- ii) More than 10% deviation from original awarded value should require approval of next higher authority but total amount should be within the delegated power of the next higher authority.

5.4 The time for completion of the originally contracted work shall be extended by the company in the proportion that the additional work (in value) bears to the original contracted work (in value) as may be assessed and certified by the Engineer-in-charge.

5.5 The company through its Engineer-in-charge or his representative, on behalf of the company, shall have power to omit any part of the work for any reason and the contractor shall be bound to carry out the work in accordance with the instruction given by the Engineer-in-charge. No claim for extra charges/damages shall be made by the contractor on these grounds.

5.6 In the event of any deviation being ordered which in the opinion of the contractor changes radically the original scope and nature of the contract, the contractor shall under no circumstances suspend the work, either original or altered or substituted, and the dispute/disagreement as to the nature of deviation or the rate/rates to be paid thereof shall be resolved separately with the company.

CMF 3.09

CONDITIONS OF CONTRACT

5.7 The re-appropriation/re-allocation of the quantities may be done with the approval of Engineer-in-charge within the stipulated contract period and contract value with the approval of the approving authority of the contract. In case the approving authority is Board, then with the approval of the CMD of the subsidiary company.

6. TIME FOR COMPLETION OF CONTRACT - EXTENSION THEREOF, DEFAULTS & COMPENSATION FOR DELAY:

Immediately after the contract is concluded the Engineer-in-charge and the contractor shall agree upon time and progress chart prepared on the basis of a transportation schedule to be submitted by the contractor showing the order in which the work is proposed to be carried out within the time specified in the contract documents. For the purpose of this time and progress chart, the work shall be deemed to have commenced on the expiry of 10 (ten) days from the issue of letter of acceptance/work order or handing over the site of work whichever is later.

6.1 If the contractor, without reasonable cause of valid reason, commits default in commencing the execution of the work within the aforesaid date, the company shall, without prejudice to any other right or remedy, be at liberty, by giving 15 days notice in writing to the contractor to commence the work, failing which to forfeit the Earnest Money deposited by him.

6.2 In the event of the contractor's failure to comply with the required progress in terms of the agreed time and progress chart or to complete the work and clear the site on or before the date of completion of contract or extended date of completion, he shall without prejudice to any other right or remedy available under the law to the company on account of such breach, shall become liable to pay for penalty as under :

- a) If the average daily progress of work during the calendar months is less than the stipulated rate indicated in the detailed tender notice, penalty as detailed below will be levied.
 - i) If the average daily progress of work executed during the calendar month is more than 80% and less than 100% of stipulated rate of progress, penalty equal to 10% of the contract value of the short fall in work shall be levied.
 - ii) If the average daily progress of work executed during the calendar month is less than 80% of stipulated rate, penalty equal to 20% of contract value of the short fall in work shall be levied.
 - iii) The aggregate of the penalties so levied shall not exceed 10% of the total contract value.

Penalties will be calculated every month and withheld. The contractor shall be allowed to make up the shortfall in the succeeding three months within the stipulated time of completion. Once the shortfall is fully made up the so withheld penalty will be released.

6.3 The company may waive the payment of compensation, depending upon merit of the case, on request received from the contractor if the entire work is completed within the date as specified in the contract or as validly extended without stipulating any penalty.

6.4 Extension of date of completion - on happening of any events causing delay as stated here under, the contractor shall intimate immediately in writing the Engineer-in-charge :

- a. abnormally bad weather
- b. serious loss or damage by fire
- c. civil commotion, strikes or lockouts affecting any of the trades employed on the work
- d. delay on the part of the contractors or tradesmen engaged by the company not forming part of the contract, holding up further progress of the work
- e. any other causes which, at the sole discretion of the company is beyond the control of the contractor.

CMF 3.09

CONDITIONS OF CONTRACT

A "Hindrance Register" shall be maintained by both the Company and the Contractor at site to record the various hindrances, as mentioned above, encountered during the course of execution.

The contractor may request the company in writing for extension of time within 14 days of happening of such event causing delay stating also, if practicable, the period for which extension is desired. The company may, considering the eligibility of the request, give a fair and reasonable extension of time for completion of the work. Such extension shall be communicated to the contractor in writing by the company through the Engineer-in-charge within 1 month of the date of receipt of such request.

The contractor shall however use his best efforts to prevent or make good the delay by putting his endeavors constantly as may be reasonably required of him to the satisfaction of the Engineer-in-charge.

6.5 Provisional extension of time may also be granted by the Engineer in Charge during the course of execution, on written request for extension of time within 15 (fifteen) days of happening of such events as stated above, reserving the company's right to impose/ waive penalty at the time of granting final extension of time as per contract agreement.

6.6 When the period fixed for the completion of the contract is about to expire, the question of extension of the contract may be considered at the instance of the Contractor or the Company or the both. The extension will have to be by party's agreement, expressed or implied.

In case the Contractor does not apply for grant of extension of time within 15 (fifteen) days of hindrance occurring in execution of the work and the Company wants to continue with the work beyond the stipulated date of completion for reason of the work having been hindered, the Engineer-in-charge at his sole discretion can grant provisional extension of time even in the absence of application from the Contractor. Such extension of time granted by the Engineer-in-charge is valid provided the Contractor accepts the same either expressly or implied by his actions before and subsequent to the date of completion. Such extension of time shall be without prejudice to Company's right to levy compensation under the relevant clause of contract.

- 6.7 (a) The successful bidder/ contractor will advise, in the event of his having resort to this clause by a registered letter duly certified by the local chamber of commerce or statutory authorities, the beginning and end of the clause of delay, within fifteen days of the occurrence and cessation of such Force Majeure condition . In the event of delay lasting over one month, if arising out of Force Majeure, the contract may be terminated at the discretion of the company.
- (b) For delays arising out of Force Majeure, the bidder/ contractor will not claim extension in completion date for a period exceeding the period of delay attributable to the causes of Force Majeure and neither company nor the bidder shall be liable to pay extra costs (like increase in rates, remobilisation advance, idle charges for labour and machinery etc.) Provided it is mutually established that the Force Majeure conditions did actually exist.
- (c) If any of the Force Majeure conditions exists in the place of operation of the bidder/ contractor even at the time of submission of bid he will categorically specify them in his bid and state whether they have been taken into consideration in their quotations.

7. QUALITY ASSURANCE :

The contractor shall carry out and complete the work in every respect in accordance with the contract and shall ensure that the work conforms strictly to the instructions of the Engineer-in-charge. The Engineer-in-charge may issue from time to time further detail instructions/directions in writing to the contractor. All such instructions/directions shall be consistent with the contract documents and should be reasonably inferable therefrom, along with clarifications/explanations thereof, if necessary.

CMF 3.09

CONDITIONS OF CONTRACT

8. MEASUREMENT AND PAYMENT :

Except where any general or detailed description of the work in quantities provides otherwise, measurements of work done shall be taken in accordance with the relevant standard method of measurement as applicable to the schedule of quantities/schedule of work /specification to the contract. CONDITIONS OF CONTRACT

14.01 Where wagons are being weighed at the loading end, payment for coal/middlings transported to the siding/ CHP (where wagons are being loaded), loading of the tipping trucks by the Contractor's payloader (s), picking, breaking and wagon loading by Contractor's payloader (s), shall be made on the basis of the RR weight of coal/middlings despatched, duly re-conciled with the measured opening and closing stocks at the siding/ CHP every month and after effecting deductions of penalties/ recoveries as per terms & conditions of this contract.

14.02 (i) Where wagons are not being weighed at the loading end, payment for the items of work stated in 14.01 above shall be made on the basis of the actual weight of coal received by the Power Houses/ consignees as per the weighment of the wagons at their end, duly reconciled with measured opening and closing stocks at the siding/ CHP every month.

(ii) If in the case of wagons not being weighed at the loading end, the payment is made by any consignee on the basis of RR weight, the contractor (s) shall be paid accordingly.

(iii) In the case of wagons not being weighed at the loading end, 90% payment for items of work stated in 14.01 above, shall be made provisionally on the basis of RR weights. Balance payment shall be made after reconciliation, as explained in (i) above and effecting deduction of penalties/ recoveries as per terms & conditions of this contract.

14.03 In the case of coal transportation from face to stock if the trucks/tipping trucks are not being weighed, payment shall be made on volumetric measurement of the coal transported, converted to weight, taking 40 cft as one tonne, (irrespective of the fact that any other conversion factor is adopted by the Company for any other purpose), duly reconciled with the measured opening and closing stocks for the month and off-take from stock to the siding/ CHP as per 14.01/14.02 above and payment shall be made to the contractor (s) accordingly.

14.04 In case two or more contractors are engaged for the transportation work, the re-conciled total quantity for the month arrived at in 14.01/14.02 & 14.03 above shall be distributed between the transporting contractors, in proportion of the number of trips performed by each, during the month or in any other manner which the General Manager considers more appropriate.

14.05 In case there is mixed contractual and departmental transportation to stock/CHP/Siding, the quantity transported departmentally shall be separated to arrive at the quantity transported contractually for 14.01/14.02 & 14.03 above.

15.00 In case two or more contractors are engaged on picking/ breaking and wagon loading, the distribution of the reconciled quantity for the month, arrived at in clause 14.01, 14.02 & 14.03 above.

16.00 In case of transportation of coal to the Washery, payment shall be made on the basis of the actual quantity received at the Washery, as per weighment of the trucks at the washery end, subject to such verification as the General Manager may consider necessary and appropriate.

In case the washery weighbridge goes out of order, the Project Officer shall make alternative arrangement for weighment of the trucks or the weight at the loading end shall be taken as the weight of coal received at the washery, subject to such checking/ verification as the Project Officer/ General Manager may deem necessary.

17.00 In case the weighbridge of the loading end goes out of order or is not available, the Project Officer/General Manager shall make alternative arrangement for weighment of the trucks or such arrangement (s) as he considers necessary to ensure that all coal loaded at the loading end reaches the destination.

CMF 3.09

CONDITIONS OF CONTRACT

18.00 In case the trucks are being weighed both at the loading end as well as unloading end, the figures of weighment at both the ends shall be reconciled every month in respect of each contractor and if there is any shortage of coal received at the unloading end, the value of coal found short, will be deducted at double the then prevailing rate including all royalty, cess, from the security deposit of the transporting contractor (s) concerned or otherwise, specifically mentioned in work order/agreement.

19.00 No payment shall be made to the coal transporting contractor for stone/ shale/ bands/ extraneous materials segregated at the siding/ coal handling plant/ stock/ washeries in the process of despatching coal to consumers.

20.00 If the work of transportation/ removal of picked out band/ shale/ stone/ extraneous materials/ overburden/ washery rejects is contracted out payment for the same shall be made on the basis of volumetric measurement of trucks, duly verified against the volumetric measurement of such materials at the site of unloading where weighment of such materials is not possible.

21.00 In case two or more contractors are engaged for loading of wagons at any siding, the allocation of wagons to be loaded by each of them will be decided by the Project Officer/ General Manager, which will be final and binding on each contractor.

22.00 Wagons supplied at the siding shall be loaded by the wagon contractor (s) within the free loading time given by the Railways, which may vary from time to time.

23.01(i) If the demurrage of wagons occur due to less availability of coal at the siding because of less transportation of coal, the contractor transporting coal shall be held responsible and liable for the same and the demurrage charges incurred shall be recovered from him.

(ii) If the demurrage is due to failure on the part of two or more coal transporting contractors the demurrage charges shall be apportioned by the General Manager/ Project Officer, amongst the concerned contractors as he considers appropriate and his decision in the matter shall be final and binding on each of these contractors.

23.02 (i) If the demurrage occurs due to failure on the part of wagon loading contractor the demurrage charges incurred shall be recovered from the wagon loading contractor.

(ii) In case there are two or more contractors for wagon loading, the contractor who has not completed the loading of all the wagons allotted to him, within the free loading time, shall be held responsible and liable for the demurrage and demurrage charges for the full rake shall be recovered from him.

(iii) In case demurrage of any rake occurs due to failure on the part of two or more wagon loading contractors, demurrage charges for the rake shall be recovered in proportion of the number of wagons allotted to each of them for loading.

23.03 (i) If the demurrage of wagons occurs due to failure on the part of the picking and breaking contractor, for not making available adequate quantity of clean and sized coal free from stone/ shale/ extraneous materials, he shall be liable for the demurrage charges incurred and the same shall be recovered from him.

(ii) In case the demurrage occurs due to failure of two or more picking/ breaking contractors, the demurrage charges shall be apportioned in the manner as considered appropriate by the Project Officer/ General Manager and his decision shall be final and binding on each of the concerned contractors.

CMF 3.09

CONDITIONS OF CONTRACT

24.01 The wagon loading contractor (s) shall be also responsible for cleaning of the siding tracks/ between the line and on both sides of the same, leveling of coal loaded into the wagons and lime washing on the top of the same, in respect of the wagons allotted to him/ each of them.

In case any rake is put on demurrage/ any penalty is imposed on the company for failure on the accounts, the same shall be recovered from the contractor/s concerned.

24.02 In case any derailment of wagons occurs due to non-cleaning of the tracks by the wagon loading contractor (s) the charges/ penalties for the same levied by the Railways as also the demurrage charges for the same shall be recovered from the defaulting contractor (s).

24.03 All such charges/ penalties shall be apportioned between the defaulting contractors, as the General Manager thinks fit and reasonable and his decision in all the above cases shall be final and binding on the contractors concerned.

25.00 In order to ensure proper loading of wagon, the loading contractor shall ensure loading upto proper level keeping in view the stipulated carrying of the wagons and the loading will be done as per directions of Colliery/ Project/ Area officials responsible for the supervision of the loading of wagons at siding.

26.00 The wagon-loading contractor shall load clean coal free from stone/ shale/ bands/ extraneous materials and of stipulated size.

27.00 The daily rate of transportation shall be about the yearly quantity divided by the number of working days in the year \pm 30% but the contractor may be called upon to transport still more/still less quantity and no claim whatsoever shall lie against company on account of such variations. The contractor/s shall make necessary arrangements and ensure transportation of coal, etc. on daily basis, as advised by the General Manager/ Project Officer.

28.00 In case a contractor fails to deploy adequate number of payloaders, the company may, without any reference to the contractor, deploy its own payloaders and or make alternative arrangements for loading of the wagons/trucks for which double the wagon/ truck loading charges payable to the contract/s, for the quantity loaded by the Company's Payloaders of extra expenditure incurred by the Company on alternative arrangement made shall be recovered from the contractor.

29.01 The Contractor shall post adequate number of competent, experienced, skilled and disciplined persons having good antecedents for satisfactory execution of the work. A list of all such persons shall be kept in the office of the contractor and a copy of the same shall be furnished to the General Manager/Project Officer as and when required. All these persons shall be in the direct employment and under direct administrative control of the contractor and the management shall have no responsibility/ liability whatsoever in this regard.

29.02 The contractor shall issue an identity card/ employment card to each employee with photograph duly attested by him which the employee shall always carry with him, while on work and produce for inspection whenever required.

30.00 The contractor shall not engage any person of less than 18 years of age or females during night hours as required by relevant law.

CMF 3.09

CONDITIONS OF CONTRACT

31.01 The contractor shall pay to his employees salary and wages as per Law of the Land applicable to the workmen of the colliery/ washery where he is working under this contract.

31.02 The contractor shall make payment to his employees at the place (s) specified by the General Manager/Project Officer and in the presence of Company's representative authorised by General Manager/Project Officer who shall duly witness all payments by the contractor to his employees. For this purpose the contractor shall notify to the General Manager/ Project Officer the wage period (s) day/ date and time of payment.

31.03 The contractor shall prepare the wages sheet for his employees in duplicate, a copy of which shall be regularly submitted to the Project Officer.

32.01 The contractor shall make timely payment of all salary/ wages/ dues to his employees and shall also provide all benefits to his employees as per various Acts/Rules, Regulations, Orders applicable to the work e.g. bonus under Coal Mines Bonus Scheme and Payment of Bonus Act. Sunday Wages, Overtime, Holiday Wages, Leave Wages, Sick Leave etc.

32.02 The contractor shall also comply with the provisions of the Coal Mines Provident Fund Scheme and regularly deposit the contributions in accordance with the same. The Company shall have no liability whatsoever in this regard.

33.00 The responsibility of the contractor in respect of all payments to his employees will be complete and absolute. The Company shall have no liability whatsoever in this regard and shall be fully indemnified by the Contractor against any claim arising out of any non-payment/ short- payment/ dispute/ award.

34.00 The contractor shall arrange for the training of his employees in accordance with the Mines Vocational Training Rules, 1966 as amended from time to time, at his own cost.

35.00 In case any accident occurs or any injury is caused to any employee of the Company by the vehicles/equipments of the contractors or by any act of omission/ commission on the part of the contractor's representative/ employees, the compensation for the same, as provided in law or as assessed by the company shall be recovered from the contractor alongwith the costs and expenses incurred by the company on the same.

36.00 The contractor shall provide foot-wears, helmets and other protective equipments, to his employees as provided in the law, at his own cost. In case of failure on the part of the contractor to provide these Protective equipments, the company may provide the same to the employees at the cost of the contractor.

37.0 PAYMENT OF PRICE VARIATION: If the prices of Diesel increases or decreases, the contractor shall be compensated for such increase or recoveries shall be made from the dues of the contractor for such decrease as per provisions detailed below and the amount of the contract shall accordingly be varied, subject to the condition that such compensation for variation in prices shall be available only for the work done during the stipulated period of the contract including such period for which the contract is validly extended under the provisions of the contract without any penal action. If the contract is to be extended

beyond the stipulated period for completion of the work due to fault on the part of the contractor, escalation on prices should not be allowed further if not provided otherwise in the accepted contract.

CMF 3.09

CONDITIONS OF CONTRACT

Where the contract period is upto 6 months, no compensation for price variation will be paid. Where the contract period is more than 6 months, compensation for price variation in the price of diesel only will be paid/ recovered as per escalation formula provided in the Special Terms & Conditions. Such compensation for variation in the prices when due shall be worked out based on the following provisions:

37.01 Where the contract period is more than 6 months, compensation for price variation will be paid/ recovered.

37.02 The base date for working out such price variation shall be the last date on which tenders were stipulated to be received.

37.03 The contractor shall submit certified copy of price of Diesel from retail outlet of IOC/BP etc. nearest to the worksite, as the case may be.

37.04 Applicability of price variation (Summarised Position):

Item of Work	Contract Period : Less than 6 months	Contract Period More than 6 months.
Transportation (Coal)	NIL	Price variation on diesel
Transportation (Sand)	NIL	-do--
Wagon loading/ Loading of Coal	NIL	-do-
OB removal (Loading & Transportation)	NIL	-do-
OB Rehandling (Loading & Transportation)	NIL	-do-
Drilling in Coal	NIL	-do-
Drilling in OB	NIL	-do-
Truck loading of sand (Mechanised)	NIL	-do-

Note: Price variation clause as given above is also applicable for Hiring of HEMM contracts .

37.05.1 Price Variation on Diesel (Transportation)

Diesel Price Variation Rate (per Te or per cum) = $D \times 2/d \times R/C$

Where,
 D = One way distance from colliery to destination in kilometres.
 d = Distance covered per Ltr. of Diesel by the Transport Equipment in K.M.
 C = Capacity of tippers (in Te or in cum)
 R = Variation in the price of diesel from the base price (in Rs. Per Ltr.).

(NOTE: In the above formula, the value of 'd' will have to be standardised on the basis of studies through CMPDIL. Till standardisation of "d", the following two formulae will be used for transportation of Coal and OB/ Sand.)

For Coal : Diesel Price Variation Rate in Rs. per Te = $D \times R / 15$

For OB/Sand: Diesel Price Variation Rate in Rs. per Cum = $D \times R / 9$
 Where,
 D = One way distance from colliery to destination in kilometres .
 R = Variation in Price of Diesel from the base price (in Rs. per Ltr.)

CMF 3.09

CONDITIONS OF CONTRACT

37.05.2 PRICE VARIATION ON DIESEL (Wagon Loading) :

Disel Escalation VF = $C \times (FL - FO)$

Where, VF = Price Variation /Te due to variation in cost of disel to be paid or recovered
 C = Consumption in Litre/Te to be taken as 0.066 Litre/Te
 FL = Revised price of disel
 FO = Base price of diesel

37.05.3 Price Variation on Disel for loading of Coal and OB / Sand

Loading of Coal by Pay Loader :

Diesel Price Variation Rate in Rs. per Te. = $0.066 \times \text{Variation in the price of diesel per Ltr. from base price}$

Loading of OB / Sand by Excavator :

Diesel Price Variation Rate in Rs. per Cum. = $0.25 \times \text{Variation in the price of diesel per Ltr. from base price}$

Loading of Sand by Pay Loader :

Diesel Price Variation Rate in Rs. per cum. = $0.116 \times \text{Variation in the price of diesel per Ltr. from base price}$
