

INTIMATION TO BLOCK ALLOTTEES REGARDING REQUIREMENT OF CERTIFICATE FROM CMPDI FOR SUBMISSION OF NEW/ REVISED MINING PLANS TO MoC

Dated: 7th Sept 2015

In partial modification to the earlier intimation dated 19.8.2015 on CMPDI's website, to the allottees who wish to get the Certificate as per the directive from Ministry of Coal vide no. [34011/\(48\)/2009-CPAM dtd. 15th July 2015](#) regarding the guidelines for preparation of Mining Plan for Coal Blocks, the following documents, in hard and soft copies (where available), are required to be submitted to CMPDI by the allottees:

- a) Vesting order issued by the Nominated Authority with all its annexures.
- b) A Surface Plan showing geological boundary of the Block as per vesting order as below:

5 copies of the proposed Surface Plan superimposed on the Geological Plan in a scale of 1:4000 or 1:5000 duly signed by the Authorised Signatory of the allottee. The plan should have RED colour boundary for the coordinates as per the vesting order, GREEN colour boundary for Geological Coordinates of the Block and BLUE colour boundary for the Mining Plan.
- c) A letter of Authorisation from the Company Secretary of the organisation specifying the name and designation and attesting the signature of the Authorised Signatory.
- d) A certificate by the Authorised Signatory that the boundary of the Mining Plan under reference is the same as shown in the Surface Plan being submitted to CMPDI for certification.

The representative of the allottees may be called for discussion/ clarifications.

After the examination of the above documents, the allottee will be intimated, if any additional document(s) are required by CMPDI for submission of offer.

The documents along with the request letter may be sent to:

The General Manager
Business Development
CMPDI, Gondwana Place
